

BACK TO SCHOOL WELCOME LETTER

➤ EDITABLE

➤ TEMPLATE

➤ SPED+ANY GRADE

➤ SIMPLE, QUICK

Dear Parents and Guardians,

Welcome back to school! My name is Caroline Koehler and I am excited to be your child's special education inclusion teacher. This is my 12th year at (insert school's name) and my 17th year teaching. I have been fortunate to work in a variety of educational settings including time teaching kindergarten and working as a developmental therapist through First Steps, Indiana's Early Intervention system for infant and toddlers with special needs. I am excited to see new students this year! We are lucky to be a part of a wonderful school.

I grew up in Clay County, Indiana on a dairy farm and obtained a degree from Indiana State University in the area of Elementary Education. I also received a double master's degree from Indiana State University in the area of Elementary Education and Special Education. I live with my husband, Cleve, in Ellettsville. He is an engineer at a local medical device company.

I will be available to answer any questions or concerns you might have throughout the year. I believe that communication among parents, students, and teachers is critical in assuring student success. I want your child's education to be the best possible!

Please feel free to contact me at any time via phone, email or written notes.

School phone number: 818-828-6000 ext. 232

Email address: cmkoehler@rrbschools.net

Sincerely,

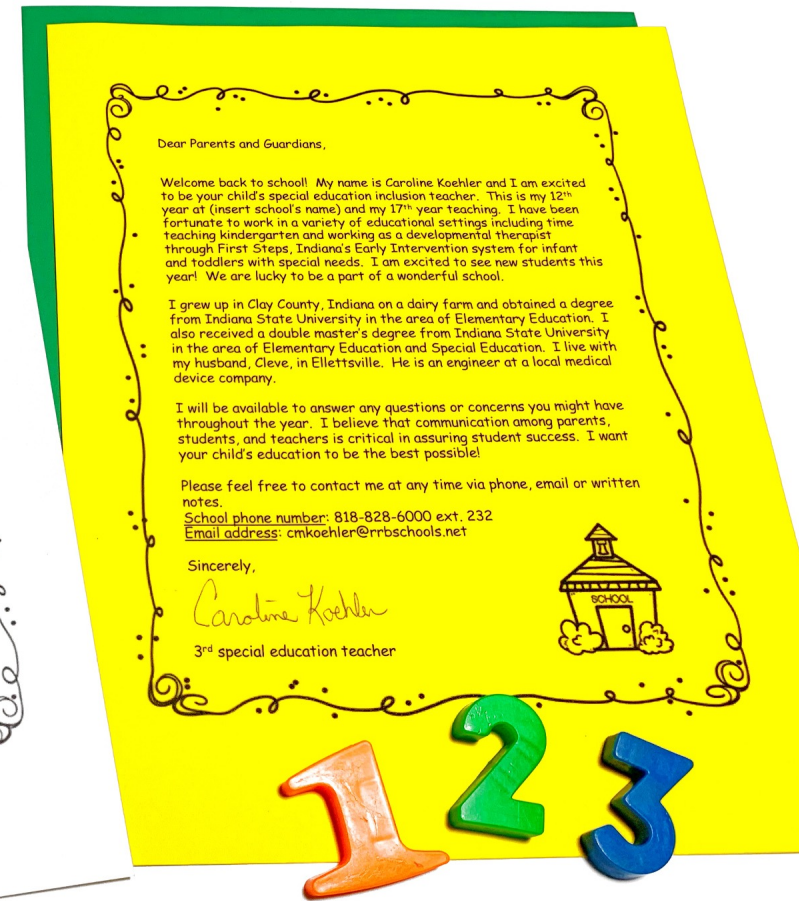

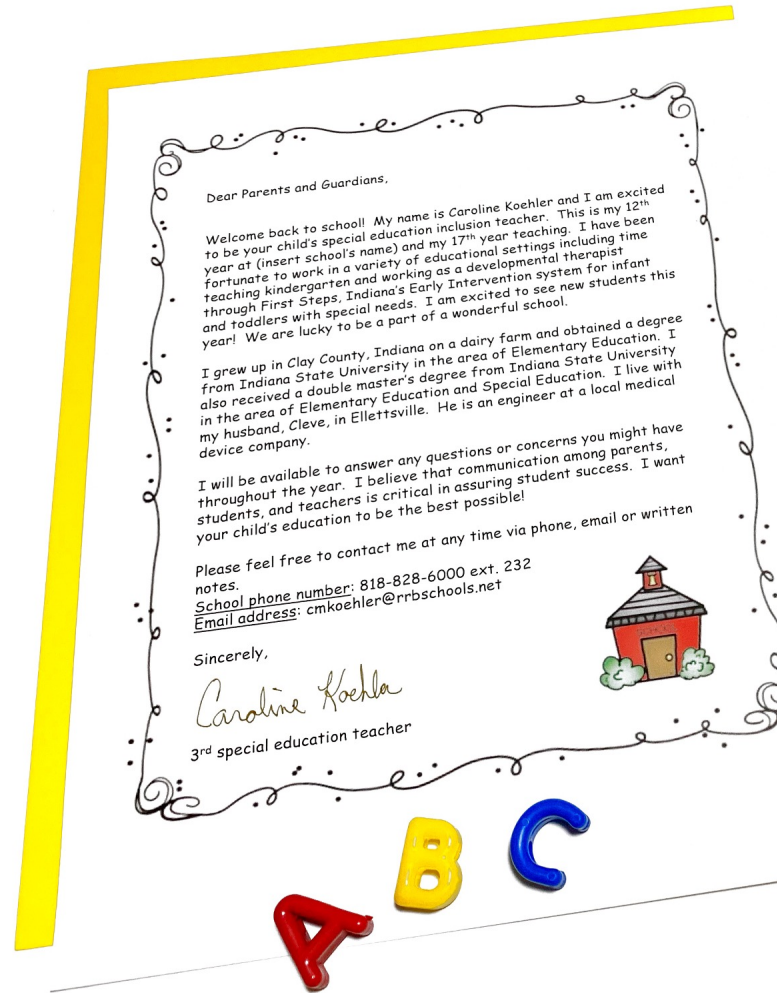

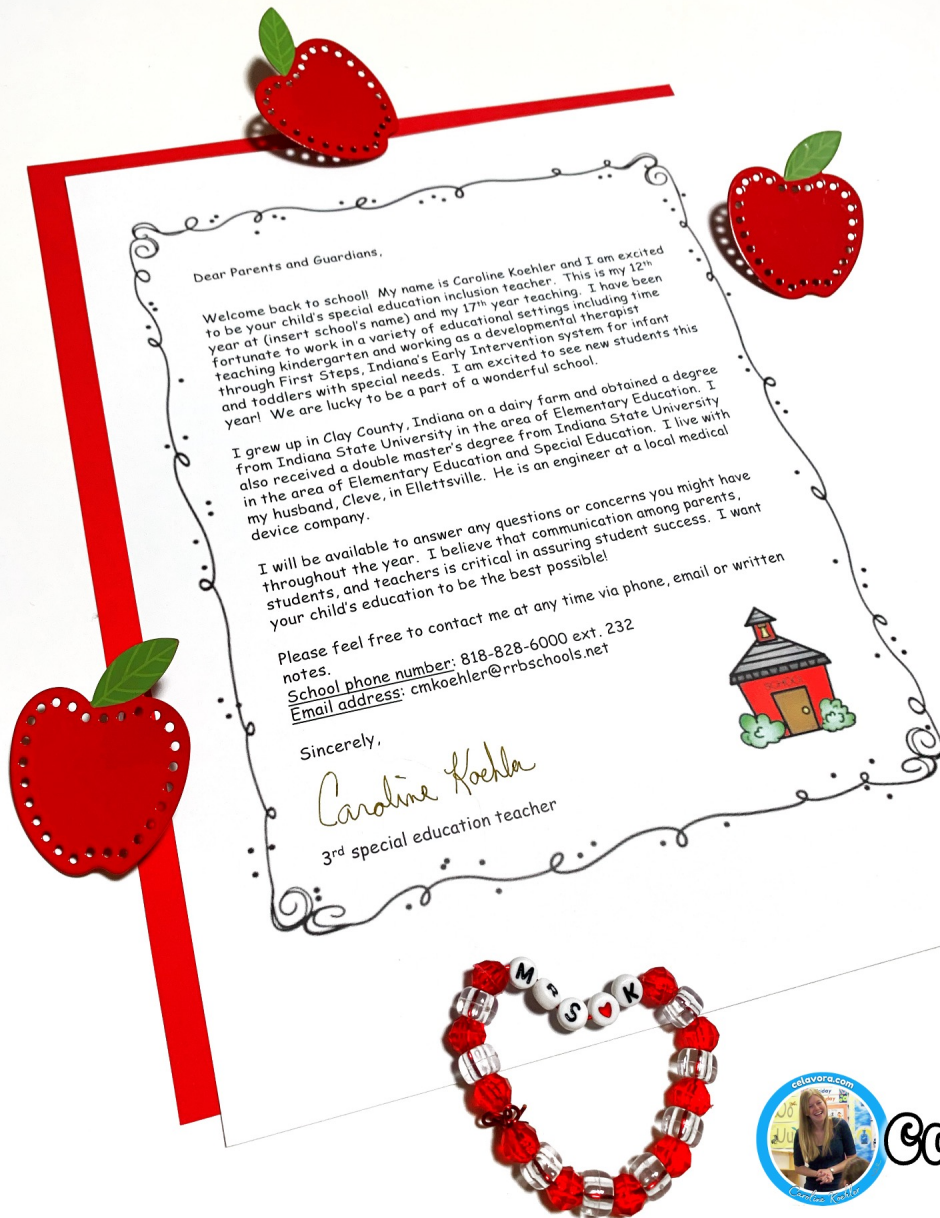

Caroline Koehler

3rd special education teacher
