TOUCHING MONITOR TOOL

Touching Monitor

I use my body to injure.
I move with anger and force.
This feels like a lot of pain.

5

I smack to upset people.
I move fast with hard pressure.
This feels like a bee sting.

4

I touch with hi-fives and hand shakes.
I move in a careful, nice way.
This feels like clapping hands.

3

I have my hands to myself.
I move in a calm manner.
This feels like a tickle.

2

I have my hands to myself.

Painful injuring

5

I use my body to injure.
I move with anger and force.
This feels like a lot of pain.

This is wrong.
Others feel sad to be around me.
People are worried about everyone's safety.

Smacking to upset

4

I smack to upset people.
I move fast with hard pressure.
This feels like a bee sting.

This is wrong.
I have a problem and need help.
Others do not want to be around me.

Careful, nice touch

3

I touch with hi-fives and hand shakes.
I move in a careful, nice way.
This feels like clapping hands.

This is okay.
Others like this if I'm being kind.
If I am too rough, others get upset.

Soft touch

2

I touch with soft, gentle hands.
I move in a calm manner.
This feels like a tickle.

This is good.
Others feel comfortable around me.
I have self-control.
