Stealing Monitor

I've taken lots of things.
I'm out of control.

I have stolen from several places.
I am out of control.
I could go to jail.

This is wrong.
My life is unsafe and dangerous.
Others are worried about my safety.

I took this from a store.
I'm untruthful.

I stole this from a store.
I could get in trouble or go to jail.

This is wrong.
I have a problem and need help.
Others do not trust me.

I took this from someone.
I'm nervous.

I took this from someone.
Trading this is okay if a friend doesn't mind.

This is wrong.
Others are starting to not trust me.

Someone gave me this.
I'm honest.

I was given a gift for a holiday.

I can show others I am trustworthy.

I earned this.
