# TIME-*SAVING* SIGN IN SHEET TEMPLATE

The image displays three variations of a "Sign In Sheet for Orientation" form. Each form has two columns: "Guardian's Name" and "Student's Name". The first form has a plain white border. The second form features a green border with white polka dots and small pencil icons. The third form has a light blue border decorated with red apples, colorful letters (A, B, C), and school bags. A yellow pencil is positioned diagonally across the first form. Two curved black arrows originate from a central black oval containing the text "WRITE ON"; one arrow points to the first form and the other points to the second form.

The screenshot displays a PowerPoint application window with a slide sorter view. The top menu bar includes options like Draw, Design, Transitions, Animations, Slide Show, Record, Review, View, Add-ins, Flat Pack, and Power Pack. The slide sorter shows 14 slides, each with a unique border and text. Slide 4, which has a white background and a colorful floral border, is the focus of a large black arrow pointing to slide 9. Slide 9 has a white background and a green border with white polka dots. A black box with the text 'EDITABLE IN POWERPOINT' is overlaid on slide 9. The text on the slides includes 'Welcome!', 'Please sign in.', and 'Sign In Sheet for Orientation'.
